## 🚌 ROCKHAVEN WEDDING 04 APRIL 2026

**TRANSPORT ON THE WEDDING DAY- PLEASE PROVIDE YOUR NAME OF ACCOMMODATION AS SOON AS POSSIBLE**

Overberg Transfers will be operating on **Saturday 04 APRIL 2026** to get you to and from the wedding. Your transfer to and from the wedding is already covered by the bride and groom. You can confirm your accommodation near the wedding venue and provide them with the names, surnames and your contact number for each one booked in at the accommodation. You can contact them online via www.overbergtransfers.com or via WhatsApp Adam Jantjies on **+27 79 503 6849 / 066 233 4928.**

Parking is limited at the venue, so we encourage using this transport option (we also don't want you to drink and drive!) Please indicate your pickup location as well as your preferred time to leave ROCKHAVEN when you share your information (venue closes at midnight). Shuttle schedule will be shared with all guests 24 hours before the wedding. Formalities will be over by 9pm for those less keen on dancing.

Please be punctual and on time. *Please note there are no Ubers operating in the region so it's important that you don't miss your shuttle.*
